

Re: Unauthorized ROUSH Parts Dealers – Buyer Beware

Effective 8/1/2020

ATTENTION ROUSH CONSUMERS/BUYERS:

ROUSH Performance aims to provide the highest quality products and best customer experience in the industry. Our Authorized Dealers share this vision, and the ROUSH Performance products they sell are backed by a ROUSH Limited Warranty and are eligible for ROUSH technical support. Unfortunately, not every retailer advertising or selling ROUSH Performance products is authorized to do so. Products sold by such sellers may be counterfeit, used, damaged or altered, and it is unknown whether these sellers can be trusted with customer personal and credit card information. Products purchased from unauthorized sellers (including “Fulfillment by Amazon”) are NOT covered by a ROUSH Performance warranty and are ineligible for ROUSH Performance technical support. To ensure that you receive a genuine ROUSH Performance product backed by a ROUSH Performance warranty and technical support, please make your purchases only from an authorized [ROUSH Performance Dealer](#).

Please be aware that the parties listed below are not authorized ROUSH Performance Dealers and have been found to be selling ROUSH products in a manner inconsistent with ROUSH Performance distributor policies. Any products sold by them (or by any other unauthorized seller) **WILL NOT** be supported or warranted by ROUSH Performance.
